EDITOR'S LETTER

Who could have imagined, way back in January, just what sort of a year 2020 would turn out to be?! Still, here we are, having survived (those of us who have, at least) what's turned out to be one of the grimmest years in recent times and still able to look forward to better times. And until they roll round, at least we can console ourselves with another *Mayfair*, with the likes of Lauren, Aemelia and Amy all giving it their best shot to stiffen the nation's, er, resolve. Have a good one, however you end up spending it!

GE-TENET ON!

Dear *Mayfair*,
In October our local multiplex reopened after months of shut-down, and I thought I'd do by bit for the film industry by going along to see Tenet, and managed to talk my wife Denise into going with me as well, even though she didn't want to see it – at least it was something like a night out, after all!

The entire car journey there she kept saying how she didn't want to see it and that if it was rubbish, she'd just fall asleep. I wasn't too bothered really as long as I got to see the film uninterrupted. I kept trying to reassure her that she'd enjoy it once she got into it, but I was pretty sure she'd hate it anyway!

Once we got in the cinema and found our seats towards the back of the near empty auditorium, I pulled her close to me and cuddled her in my arms. The film started and she seemed fairly content, but within about twenty minutes she started fidgeting. I rolled my eyes and whispered for her to keep still, but was met with a poke in the ribs! Then she started trying to have a conversation with me and I had to just ignore her cries for attention.

Realising that I wasn't going to give into her, she moved onto her (and my!) favourite tactic of all – the blow-job! She knew I couldn't resist those gorgeous, full lips wrapped around my cock. She pretended to cuddle me again but slowly slid down even further, unzipping my trousers as she inched her face closer. She pulled my dick from my boxers then started teasing me with lots of short licks all over the head. I looked around and there was no one in the four rows in front or behind us, so relaxed a little, pushing my cock into her mouth to encourage her to keep sucking and licking!

> I REACHED AROUND TO HER BIG BREASTS AND GRABBED THEM, USING THEM TO PULL MY COCK DEEPER INTO HER

She has this amazing signature move which no other girl has ever done to me before – she'd take my prick in her mouth and press it against one cheek so I could see the bulge of it as I looked down at her. Then she'd push my cock across her tongue and then press it against the other cheek! The fact she could do this without taking my cock out of her mouth, and the feeling of her tongue and throat on my sensitive prick as she swapped sides, was just heavenly.

I wrapped my fingers in her hair and pulled her mouth off my cock. She knew exactly what to do and slid onto my lap, pulling her skirt up as she sat back down on my rigid dick. She bent forward slightly then started riding my cock gently. She was horny as hell and was grinding down on my cock like she'd been starved of it for years! I didn't have to do anything as she fucked me, flicking her hair over one shoulder so she could watch my prick sliding inside of her wet twat.

I grabbed her bum and pulled her up and down harder, now playing Denise at her own game and trying to make her let out a quiet moan or groan of pleasure which was generally drowned out by the action on screen. I reached around to her big breasts and grabbed them, using them to push my cock even deeper into her. As I pinched at her nipples she breathed in sharply, almost as if to groan or scream as she released that breath. I knew I nearly had her at the point of orgasm so started fucking her deeper, my cock almost leaving her pussy with every thrust. That's when she let out a whimper – just as my cock hit her G-spot – and she started climaxing over my dick. I kept pounding her as she squirmed in my lap, wanting her to know who was really in charge!

I wanted her to lick her juices off my cock so I pulled her off my lap and into her seat again. She knew exactly what to do and started licking and sucking my cock fast. I forced my dick further into her mouth as I came, my spunk just flowing down her throat as she lapped it all up. Stream after stream of come filling her mouth…

After that, she just lay in my arms for the rest of the film, letting me enjoy it as she basked in the warm afterglow of our public sex sesh! I have to say, I certainly enjoyed the screening, and Denise enjoyed our evening out as well!

Ollie, Ruislip.

JAY WHIZZ!

Dear *Mayfair*,
You've featured plenty of near perfect women in your magazine over the years *(What do you mean, 'near' perfect?! – The Ed.)*, but having spent a good few weeks poring over your latest issue, I've come to the conclusion that none of them can top Lacey Jay. The pictures of her in her magenta lingerie show her curves off to perfection, from her lovely womanly bum to a perfect pair of boobs, while her face is one I could never tire of looking at. I'm not usually a fan of tattoos, but that beautifully executed rose on her hip really does seem to add to her overall beauty! On top of all that, her skin seems to be totally flawless – do tell me it's not a result of photoshop trickery!

James, Torquay.

Well James, hand on heart, she really does look that good in the flesh - in fact if you really want to know the truth, she looks even better, if that's possible! - The Ed.

NEIGHBOUR RELATIONS

Like a lot of the rest of the population, I've been working from home practically every day for the last 7 months or so, and although I don't miss the commute, I have found it a pretty lonely experience, without all the chat we used to have in a small but relatively lively office. My wife's a key worker, so she's out all day as well, leaving me to my own devices for long stretches of the day. A couple of weeks ago, though, my situation got a lot better, and as there's nobody else I can tell without fear of getting caught out, I thought I'd drop you a line about it…

About two years ago a young couple (well mid 20s, so young compared to me) moved in next door, and while we were always on nodding terms with them, the relationship never got much beyond the occasional "Good morning!" when we passed each other outside.

Anyway, by May I realised I hadn't seen Steve, the bloke, around much, and I wondered if they'd split. He must have been a right idiot of so because Helen is a real stunner, with lovely blonde hair and a wonderful figure. Anyway, apart from the odd fantasy about getting together with her, I thought little more of it, until a couple of weeks ago, when I bumped into Helen just as she was coming out of her house.

After the usual pleasantries I asked how Steve was, adding that I hadn't seen him about much lately.

"I'm not surprised – I threw the tosser out!" she replied with a laugh. "He'd been carrying on with some tart at work and I told him that if I wasn't enough for him he should piss off, so that's what he did."

I was a bit taken aback by her candour, but at the same time I couldn't help feeling glad. In an attempt to keep the chat going, I asked her how she was finding the lockdown and all the working from home.

"Oh, it's OK, I guess, but so boring having nobody to talk to all day. You just get up, sit at your computer all day and then go to bed!" she said with a smile.

"Tell me about it!" I replied. "What I really miss is having someone to have a natter with and a coffee now and again."

There was a split second's silence before she looked at me and said, "Well why don't you pop round at 11 every day and we can have one? It'd certainly help to break up the day a bit…"

Needless to say, I jumped at the chance, and we made a date for the next day, which was a Thursday. I thought it best not to tell my wife that evening – she'd only think something improper might happen, and I was thinking about that enough for the both of us as it was!

Come the next morning I barely got any work done at all. A shave, a shower and even (I have to admit) a sneaky wank just to calm me down a bit kept me busy enough till 11 o'clock ticked round and, making sure I was a couple of minutes late so I wouldn't appear too keen, I found myself ringing Helen's bell.

When she let me in I couldn't help thinking she'd made a bit of an effort as well – especially for someone who was working from home! Her hair was all fixed and she was wearing a trim business suit that accentuated her curves to perfection.

"I thought you'd forgotten," she smiled, before inviting me through to her kitchen.

"So would you like a coffee then, or maybe you'd prefer something else…" she asked, and I felt my mouth go dry as the meaning of her words became clear, thanks to the sly look she gave me and the way she started to twist her hair.

"Oh, well I wouldn't say no to something else," I just about managed to reply. "What have you got?"

She walked over to me and, without any further ado, kissed me square on the mouth, pressing her firm boobs against me as she did so. Well, there clearly wasn't any need for any more conversation after that, and as our tongues snaked into each other's mouth I pulled her towards me, so she could feel the swelling in my boxers and we snogged furiously.

A sudden attack of conscience got the better of me and, pulling away for a moment, I said, "Look, you know I'm married, and I want to keep it that way."

Helen laughed. "I'm not looking for a husband – just a bit of fun to break up the day now and again, and I just thought you might feel the same way…"

"I certainly do!" I replied, and with that she was all over me, untucking my shirt and undoing it before grabbing at my belt and fly. In a matter of seconds my cock was out and she grabbed it firmly, tugging me to full hardness as she continued to explore my mouth with her tongue.

I was feeling hornier than I had in years, and, knowing that despite my earlier wank I probably wouldn't last too long with her tugging at my prick, I stepped back. "I'd really love to taste your pussy," I said, and Helen grinned, clearly happy enough with the idea herself.

Hitching up her skirt, she perched on the island in the middle of the kitchen and pulled her frilly panties to one side, revealing a glistening, neatly trimmed gash that was just begging to be eaten out.

Kneeling in front of her, I gazed at the wondrous sight for a moment, feasting my eyes on her shiny pink slit, before I reached up and, prising her delicate petals apart with my thumbs, leant forward and flicked her clit with the tip of my tongue.

IT'S A SIN!

Dear *Mayfair*,
I know envy's a deadly sin, but having read letters from a couple of your readers about what they've been getting up to during lockdown, it's hard not to feel more than a bit! Rob sounded like University was an absolute paradise last issue, and before that we had Mark with his house share antics! As far as I'm concerned this year's been a complete washout, and I'm sure it has been for plenty of other people as well, from what I can tell from social media. Thank God I've been able to download you guys and help work off some of my frustration that way – without Mayfair I think I'd have exploded by now!

Jules, via email.

Luckily we don't worry too much about the deadly sins here, Jules - apart from anything else, everyone's entitled to feel a bit of lust when they look through *Mayfair*! Best avoid the letters in *Male* this month though, if you're worried about envy! - The Ed.

It's a toss up as to which we're hoping to see the back of first – 2020, or Lauren Louise! Not, you understand, because we don't like her, but because seeing the back of her gives us the chance to admire one of the finest bums in the business!

"Oh! I was starting to get a bit worried there!" she laughs, "But seriously, if it's a look at my bum you want, then here you go!"

And with that she flashed us the sort of eyeful of her peachy rear that'll stay burned onto our mind's eye for many a quiet night in! Oh, and did we mention how much we like the front of you as well…?

LINCOLN TITTY

Dear *Mayfair*,
I know the fact that I'm a bloke who's got a real hang-up for gorgeous blondes with big boobs probably doesn't make me that unique, but we can't help the way we're biologically programmed, can we? So one way or another I'm guessing I wasn't the only one blown away by the pictures of the stunning Marie posing with the classic Lincoln, but given that my Dad used to have a car like that I may be the only one of your readers to have had such mixed emotions about the pictures. Firstly, of course, was the intense arousal produced by Marie with the sun beating down on her glorious globes, but also a more bittersweet reminiscence about my childhood years when me and my siblings would pile into the back of Dad's pride and joy! Perhaps not surprisingly, though, it wasn't long before my sense of arousal won out!
Eddie, Hants.

Continued from page 5

"Hmm, that's nice!" I heard her groan as I set about licking, sucking and nibbling her swollen bud, which was far more pronounced than my wife's. Now and then I'd probe the very depths of her pussy with my tongue, savouring her musky taste and making her squirm even more. Once or twice I even strayed down to give her little puckered arsehole a lick, which I'm delighted to say seemed to please her no end and so, figuring that she might be quite into a bit of bum fun, I finally eased the tip of my index finger a little way into her tightest hole, which I felt quiver and contract against my digit.

"Oh God!" she gasped as, with my finger slowly making its way further up her back passage, I went back to nibbling on her clit. "I've missed this so much… I think I'm going to come…"

Eager to savour more of her fanny nectar, I worked her clit and her arse for all I was worth and sure enough, with a massive judder, I was treated to a gush of her juices as she bucked above me, a massive climax rippling through her body.

By this stage my swollen prick was almost fit to burst, even without having had any attention, and figuring that now was a good a time as any, I stood up and directed the tip towards her now sodden snatch.

"That's it, I want you to give me your prick now!" she instructed, thrusting her hips forward to meet me. Looking down, I watched, rapt, as my bloated pole slowly buy easily slipped between her soaking labia. There was no way I was going to be able to last long once I started fucking her properly, so I slowed the pace right down, just revelling on the sensation of her silky pussy walls enveloping my sensitive cock, her juices soaking my pubes as I held myself buried deep inside her.

Placing her hands on my shoulders, she began to grind herself around on my pole, tilting the angle of her thighs and doing everything she could to bring me to the point of no return, which didn't take long.

"I'm gonna come!" I gasped and she grinned.

"Shoot your spunk over my pussy!" she instructed, and so, as I felt the sap starting to rise I pulled out of her slippery cunny and, aiming the tip of my prick down at her slot, gave it a couple of quick tugs before jet after jet of thick cream shot out, cascading over her skirt at first before the final splashes coated her neat patch of pubes. God knows how much of the stuff I'd have produced if it hadn't been for my wank earlier in the morning!

"Mmm," she murmured, taking hold of my cock and teasing out a last drop or two of spunk, which she scooped up with a finger and popped into her mouth with a naughty grin, "I think I could get used to this!"

"Ha, me too!" I replied. "This working from home's definitely more fun than going into the office!"

After another snog we got ourselves cleaned up and did actually have a cup of coffee. Since then a trip to Helen's for a shag and a coffee have become a regular feature of my mid-morning routine. I guess the arrangement won't last forever, but I'm definitely going to make the most of it while I can!

Chris, Manchester.

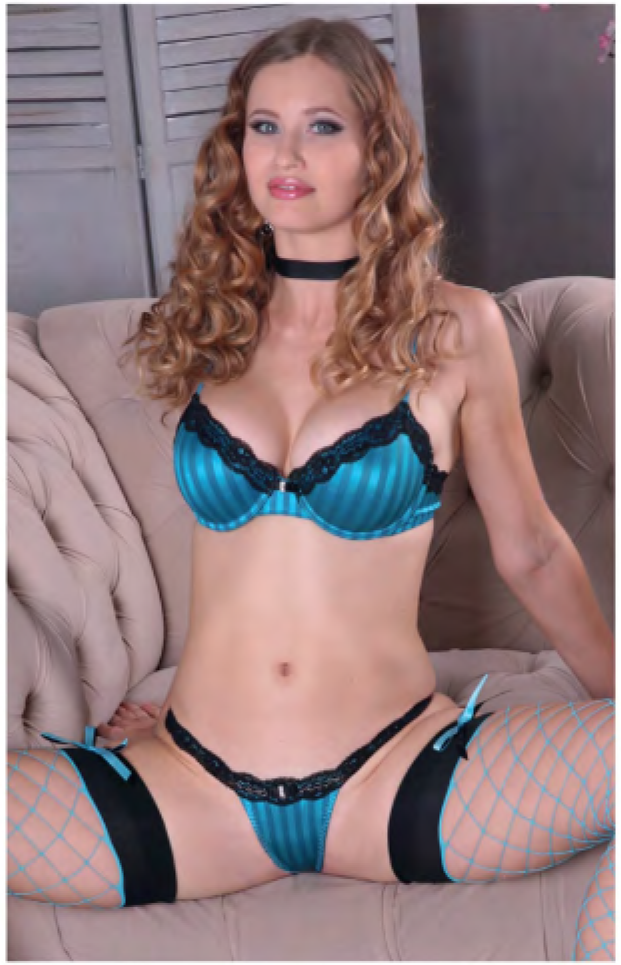
Photographer: Dazglam



We last crossed paths with scrummy Stella back in issue 1 this year, back before anyone realised exactly what sort of a year this was going to turn out to be! So how did it all effect her, we wondered...?

"Oh, massively! I'd saved up a bit of money and was planning to do a bit of travelling round Europe. I've got a bit of a thing for Italian guys, so was hoping to spend a couple of weeks in Rome and maybe Venice as well and sample the local talent, but all those plans went tits up back in March! I'm hoping I'm hoping travel's back on the menu next year so I can scratch that itch!"

We bet those Italian blokes do, too!

TECH'S APPEAL

Fancy some now tech gubbins to brighten things up as we continue to creep cautiously out of lockdown? Well don't go splashing out till you've read the *Mayfair* lowdown!

APPLE iPAD **AIR**

★★★
EDITORS PICK

Pads might be starting to feel a little bit like yesterday's format – especially given how stonking phones continue to get – but it's clearly a format Apple still see plenty of potential in, with the new iPad Air slotting nicely into the gap between the basic iPad and the Pro version, both in terms of specs and price. In fact to look at, you'd be hard pushed to tell the difference between this and the Pro – at 10.9in it's practically the same size, and shares the slim bezel that makes it look bang up to date, especially compared to the slightly clunkier basic model. Importantly, now that we've entered the age of zoom meetings, the front camera boasts an impressive 7-megapixel sensor, while the microphone does a good job of picking up all those brilliant suggestions you like to slip into a meeting without anyone noticing. The rear camera, meanwhile, packs a reasonably punch with 12mp, although it's by no means the top of the range. The screen does everything you could ask of it, making film watching a real pleasure, with headphones (bluetooth only, mind!) preferable, but a brace of speakers offering proper stereo if you're watching in landscape mode. The 4GB of RAM is easily capable of keeping everything running smoothly without any annoying delays, although the 64GB storage on the cheaper version's a bit on the stingy side, especially as it can't be increased with an SD card. Then again, are tablets really for storing loads of stuff on these days, when streaming's really the order of the day? Speaking of which, the battery means you can stream for a good 8 hours without needing to recharge, or 10 if you're watching something previously downloaded, with a full charge taking 150 minutes or so. When the battery does conk out, after approximately 500 charges, it's easy enough to replace, which nudges the iPad Air along the road to decent sustainability, as does the amount of recycled tin, aluminium and rare elements used in its construction. The OS14 software's bang up to date (it's the same as the Pro) and loads of great Apps like Scribble, which'll turn your handwriting into text, are sure to come in handy. Connect a keyboard and it'll also double up as a pukka laptop, which is handy, as is the (optional extra) of adding 5G connectivity for when you're out and about.

PRICE: FROM £579

SONY **PLAYSTATION 5**

Slap bang in time for the Christmas market, Sony have unveiled their latest PlayStation, and its a bit of a beast, not just in terms of specs, but also size, clocking in at a fraction under 39cm high – which'll make it a bit tricky to tuck away in a lot of home entertainment centres – and weighing in at 4.5kg! Mind you, it clearly needs to be big, because there's a hell of a lot of work going on under its oddly skyscraper-like design. It can, of course, be used horizontally as well, but either way it needs to be attached to its stand, to ensure an unimpeded airflow to the powerful (but impressively quiet) fan. So once you've got it out of the box and managed to heft it into place, you'll notice a few things from the off, starting with an impressively redesigned controller complete with a new mute button and some nifty adaptive triggers, which can add resistance and give you a greater feeling of control when degrees of pressure are required. And once fired up, you'll be struck by just how quickly games load – a second or two tops, as opposed to (the frankly acceptable) 20-odd seconds with the PS4. And then there's the frame rate and picture quality, both of which push the envelope again; it can manage 120 frames per second at 4k or, should you chose, 60fps at 8k. But is it worth shelling out, either for the blu-ray playing version or the cheaper, solely digital one? Early buyers always pay a premium, and the PS5 might not come into its own for another year or two.

"Ah Mr Bond, I wasn't expecting you!"

Upon arriving at 9.30, little Johnny is asked by his teacher why he's late for school and replies, "Because I didn't get any fucking breakfast."

His teacher tells him to stand in the corner for being so rude until he answers a question.

She then says, "Right: World War Two. Who can tell me where the Polish border is?"

No one except Johnny raised their hand.

"Okay, Johnny, where is the Polish border?"

Johnny replies, "In bed with my mum, and that's why I didn't get any fucking breakfast."

A man comes home from a tough day of work looking to unwind. After a relaxing dinner with his wife, they retired to bed. So, both go to their separate beds but the man was not yet ready to call it a day. The man called over to his wife; "My little boopey-boo, I'm lonely."

So the woman gets out of bed and crosses her room to the husband. On the way she trips on the carpet and falls on her face. The husband with a concerned look on his face says, "Oh, did my honey-woney fall on her little nosey-wosey?"

The woman gets up and slips into the man's bed.

The two have passionate sex, leaving the husband utterly sated, and when they're finished the women rolls out.

As she is returning to her bed, she once again catches her foot on the carpet and falls flat on her face. The man looks over his shoulder at his wife lying on the floor and says "Clumsy bitch."

I went for a job interview as a blacksmith yesterday. He said, "Have you ever shoed a horse before?"

I said, "No, but I've told a donkey to fuck off."

Two women were having a conversation about how useless men are when one of them says, "They're hopeless – they can't even do two things at once."

At this, the husband of one of the women who's overheard their conversation interrupts, saying, "Actually, I can."

"Go on then, give me an example," says his wife.

"Well while I was fucking you last night," he replies, "I was thinking about her."

A guy proposed a one pound bar bet to a full-figured girl. Despite her dress being buttoned to the neck, he bet he could touch her breasts without touching her clothes.

Since there didn't seem to be the remotest possible of this, she was intrigued and accepted the bet.

He stepped up, cupped his hands around her breasts and squeezed firmly for about 20 seconds.

With a baffled look, she said, "Hey, you touched my clothes."

To which he replied: "Fair enough – here's your quid."

A policeman was called to the high street to attend to an 80-year-old man crying in the road.

"What is the problem my friend?" he says.

"I am 80 years old and I have a gorgeous 18 year old blonde girlfriend, she brings me breakfast in bed every day then she shags me half to death. I sleep till one o'clock then she brings me lunch. When I finish she shags the arse off me. I sleep until seven o'clock then she wakes me with my dinner. I eat then she gives me another good seeing-to."

"Fuck me!" said the copper, "so what the fuck are you crying for?"

"I've forgotten where I live!"

Fresh-faced lovely Bella made her *Mayfair* debut earlier this year, and – as you can doubtless understand – we were pretty keen to get her back for another shoot. Then the pandemic arrived and we were left hanging for what felt like forever before we were finally able to fire up the studio lights and get her back in. Talk about frustrating!

"Tell me about it!" she grins. "I found my first shoot such a turn-on that I couldn't believe I'd have to wait so long for another shot! Luckily I had the pictures from the first shoot, so I could look at those and relieve the tension a bit!"

Honestly, the things people do when looking at the mag!

Aemelia's rather sophisticated appearance puts us in mind of a foxy news reader, for some reason, but the tattoos hint at an altogether different personality…

"I don't think I'd make a very good newsreader!" she laughs. "You've got to have a pretty velvety voice for that, and I'm much too much of a girlie. And besides, I'd much rather express myself by taking my clothes off and showing you my body – and my tattoos, of course – than by telling the country about all the terrible things that are going on!"

And we're sure glad you would!

AMY

Well if this set of pictures, featuring a curvy British lovely stunningly shot and clad in an immaculate lingerie combo doesn't represent the very essence of *Mayfair*, than I don't know what does *(Just you leave that to me, alright? – The Ed.)*! There's a timelessness to it which suggests that, in 20, 30 or even 50 years time this set of Amy will be just the ticket to get those jetpack-wearing future denizens of the world sitting up and paying attention! Ahem, anyway, before I get too carried away with ideas about future generations admiring Amy Green, perhaps I shouldn't forget to live in the moment a bit more and just appreciate the pictures myself. Now if you'll excuse me, that's what I'll do…

SCENE from MAYFAIR

Nobody needs an excuse for a quiet night or hundred at home these days, and if you fancy some quality viewing to help pass the time, you could do a lot worse than these!

★★★ EDITORS PICK
George A. Romero's
DAWN OF THE DEAD

DAWN OF THE DEAD

Given what a crowded field it is these days, it's hard to imagine a time before zombie films, but apart from a film or two that featured zombies in their original, voodoo sense, it wasn't until George A. Romero's 1968 *Night of the Living Dead* that the modern zombie flick appeared. Black and white, and with an ultra-low budget, it became a cult hit that made more than enough money to allow Romero, a decade later, to make this, his zombie *magnum opus*, and almost certainly the film by which all other zombie movies are judged. Abandoning the remote house of the first film and relocating to a shopping mall, that ultimate symbol of consumerism, Romero (with co-writer Dario Argento) threw some social critique and black humour into the tale of flesh-eating marauders – not to mention plenty of blood-spattered gore. This 4 disc release, on Blu-ray or UHD, features three edits and a host of bonus material and represents a magnificent addition to your horror collection.

GHOSTS SERIES 2

A whole (possibly younger than your typical *Mayfair* reader) generation has grown up loving *Horrible Histories* and knowing all their songs about Vikings, Charles Dickens and, er, Pachacuti, and now the gang behind it have moved into slightly more adult territory with this delightful sitcom, the second series of which aired recently on the Beeb. When a young couple (Charlotte Ritchie and Kiell Smith-Bynoe) inherit a dilapidated mansion, they also get a houseful of ghosts thrown in for good measure, ranging from a chess-loving caveman to a crooked politician who copped it in some sort of sex game. Each ghost carries the tastes and prejudices of their age, and work perfectly together as an ensemble, with Martha Howe-Douglas especially good as prim Victorian Lady Fanny. With jokes on both adult and family levels, this is sure to put a smile on your face.

MYSTERY ROAD 2

Anyone who thinks Aussie telly is just *Neighbours, Home and Away* and *The Sullivans (The Sullivans?! – Ed.)* might be in for a bit of a rude awakening if they give *Mystery Road* a try. It's a gritty – OK, 'dusty' is probably a better word, given the arid outback setting in – crime drama that takes the rural gothic of *True Detective* and grafts on some Scandi-noir, while at the same time throwing in a hefty pinch of dazzling cinematography to make the most of the landscape. If that doesn't sound a winning enough combination already (it is, by the way), then it's also refreshing to see indigenous actor Aaron Pederson in the lead, playing Detective Jay Swan, who's got a decapitated body to investigate. Scandi fans will been interested to spot *The Bridge*'s very own Saga Norén (Sofia Helen) pop up. Classy crime drama that'll add a little (orangey) colour to your winter nights.

ADULT MATERIAL

We've all seen hundreds of TV dramas about cops, plenty about politicians and doctors and the like, but one career we rarely see explored on screen is porn star, which is a shame really, because we've got a bit of a soft spot for them. Well, all that changed recently with Channel 4's airing of *Adult Material*, in which Hayley Squires of *I, Daniel Blake* fame, plays 'Jolene Dollar' (a name, incidentally, so unlike any British porn star I can only think it must have been deliberate), a mum of three who makes her living as a high profile splosher, with the help of life partner Rich (Joe Dempsie) and business partner Caroll (the always good value Rupert Everett). Jolene's life take a turn for the (even more) complicated when a fresh-faced starlet Amy (Siena Kelly) gets talked into working beyond her comfortable levels by producer Dave (Phil Daniels), leading to a chain events that Jolene increasingly struggles to deal with. At times both funny and poignant, this is a refreshingly unabashed look at the flipside to the glamorous world we might imagine.

THE PAINTED BIRD

Hey, it wouldn't really be the festive season without something really gloomy in black and white, would it? What do you mean, yes it would? Well anyway, we've got one for you! Young Petr Kotlár stars as a Jewish boy who's been hidden away from the approaching Nazis somewhere in Eastern Europe, but his refuge is soon lost and the boy is thrown back on his own resources as he tramps a hellish landscape and encounters the brutal, and brutalised people in contains. Utterly uncompromising, it's perhaps even bleaker than 1985's *Come and See*, and also has strong echoes of 1962's *Ivan's Childhood*. With a strong cast that includes Harvey Keitel and Stellan Skarsgård, you won't find many accounts of the horror of war that are anywhere near as unflinching as this. Moving and unforgettable, this'll remind you that, crap as 2020's been, there have been far worse times to be alive!

THE GOOD LIFE

And given what an unsettling year this has turned out to be, who could blame us for wanting to turn back to the comforts of gentler time? And seeing as we've all been staying away from the office as much as possible and trying to eke things out at home, perhaps toppermost 70s sitcom *The Good Life* is the perfect way to do it! Everyone of a certain age will no doubt fondly remember the set-up, which features Richard Briars and regular 'rear of the year' Felicity Kendal as Tom and Barbara Good quitting the rat race to get all self-sufficient, while conventional neighbours Margot and Gerry – Penelope Keith and Paul Eddington – look on in baffled amazement. This set from Acorn media features all four series, and with its good natured humour they stand up remarkably well, unlike some other comedies of the era that haven't aged quite so well. Other feel-good boxsets from Acorn that might make ideal gift ideas include *Doc Martin*, *Inspector Montalbano* and *Line of Duty*.

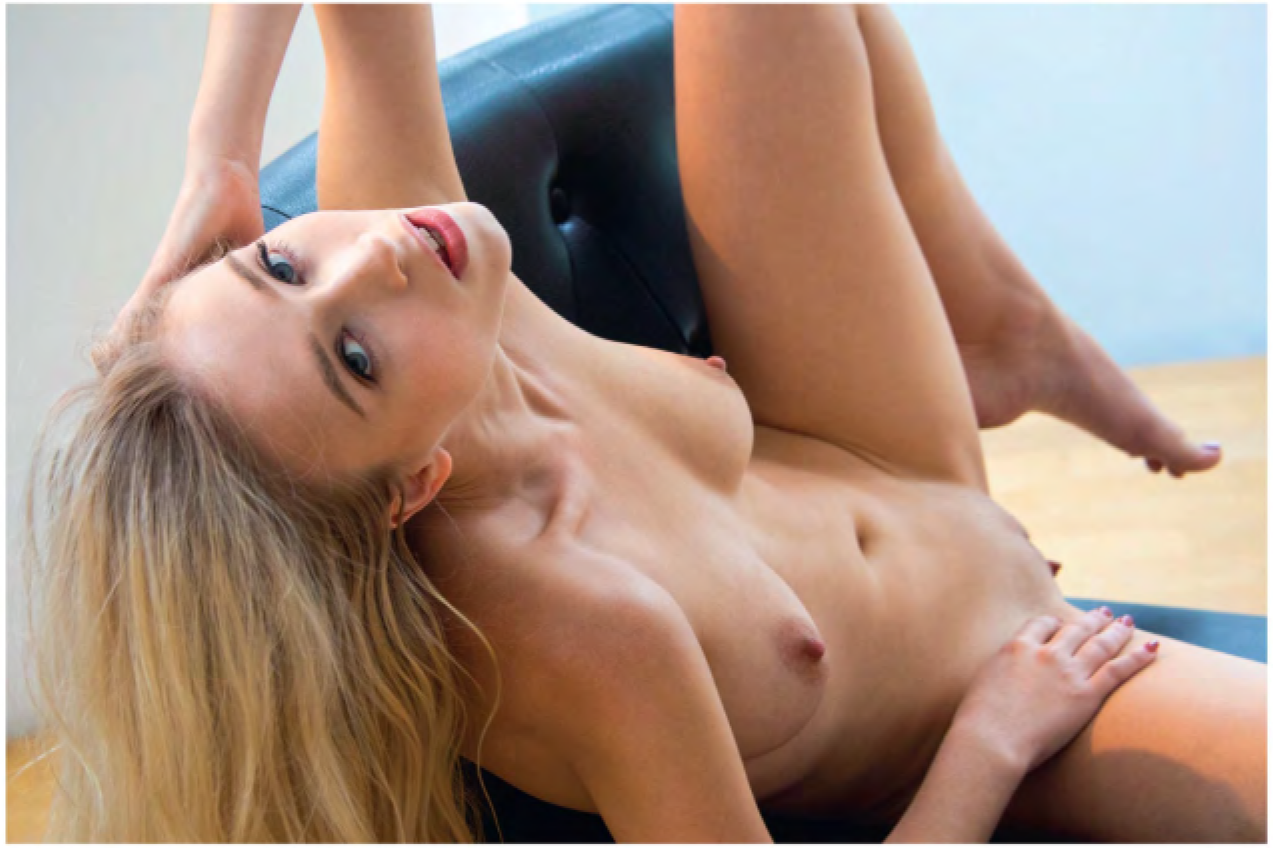
RILEY

Age: 25 **Vital Stats:** 30D-24-32 5'4"
Photographer: EXP/J.S. Hicks



If Riley here asked if she could eat crackers in your bed, you probably wouldn't throw her out, would you? With those sumptuous boobs rounding what's already a damned near perfect package, we can't help thinking that whoever gets to enjoy a bunk-up with this 25 year old hottie need have no cause for complaints!

"Well I'd certainly like to think not!" she laughs. "Mind you, there's always room for improvement in the bedroom department. For example I'm currently trying to work up my blow-job skills."

Oh! Well if there's any way we can be of assistance…

Social distancing's all the rage these days, but the smut-mongers don't quite seem to have got the message yet, do they? Honestly, some people...!

WICKED PICTURES PRESENT ●●●●○

BROWN **SUGAR 4**

★★★ EDITORS' PICK

CAST
NIA NACCI
ASHLEY ALEIGH
LALA IVEY
IVY SHERWOOD

As we head towards 2021 it's probably fair to admit this flick doesn't have the most PC title, but then porno producers have never been too fussed about that sort of thing, and given that the four girls in action here really are a lovely-looking bunch, I'm not going to let it spoil my viewing fun. We join Nia enjoying a bubbly bath in front of an open fire, and stud Seth Gamble soon joins her, first to enjoy a knob-noshing and then to tuck into her fur-free fanny. A pretty tasteful shafting follows, with the occasional close-up along the way, before Seth delivers a pretty explosive pop over Nia's chops. It's nicely shot scene, and the remaining three all follow suit – Ivy's got a bit of bush to break things up, and there's plenty of nice lingerie on show as well, making this a classier than average interracial offering.

PRIVATE PRESENT ●●●○○

CUCKOLDS' **FANTASY**

CAST
TINY TINA
KATY ROSE
KATE RICH
FLORANE RUSSELL

Kudos to Private for getting their apostrophe in the right place there, and for assembling such a horny bunch of Euro-flampers to grace this flick. Brunette Tiny (or should we call her Tina?) certainly causes a Prague uprising in her not-so-old man's boxers when she invites a stud round to do her on the sofa. Her other half films the lot on his phone, wanking and getting sucked off as well as the tattooed woodsman goes to town, until Tina gets a couple of facials for her trouble. Katy's husband just looks on and wanks as his missus takes a thorough dicking fore and aft, her shapely bum wobbling beautifully as she jiggles it up and down on her woodsman's pole. Kate, meanwhile, pulls out all the stops with a frenzied threesome while her grey-bearded 'hubby' plays the observer, before an office boning for blonde Florane from veteran stud George Uhl, observed from a balcony by a wine-sipping 'Mr Russell', closes things out in suitably arousing style.

VLT/METART PRESENT ●●●●○

DRIPPING **WET**

CAST
KAROL LILIAN
LEXI DONA
HANNAH VIVIENNE
VERONA SKY
LUNA CORAZON
LADY DEE
SARAH CUTE
TALIA MINT

When you see that many girls in the cast it's a safe bet you've got a lesbian flick on your hands, and so it proves, with four pairings making the most of the weather and each other's bodies. Hannah and Vivienne know how to have a fun day out – a bit of pedalo action, a Mr Whippy and then back home for some sapphic fun in the garden. There's plenty of finger and tongue action, with both shaven slots getting their fair share of close-ups along the way before they wind things up with a bit of snogging. Karol and Lexi prefer to keep things more nautical, heading out on a boat for their tryst. Lots of clit-frigging seems to get the job done while the sun beats down on their firm bodies. Sarah certainly lives up to her improbably surname as she and Talia grapple with each other's groins, before Luna and Lady Dee finish off a session in the hot tub with a hot rub.

PENNY

Age: 27 Vital Stats: 32F-26-36 5'5"
Photographer: Steve Colby

Here we are with the last new set of the year, and given what a crummy year it's been we thought we'd end on a high by asking a pre-pandemic *Mayfair* favourite Penny back to give us all a final treat before we bid a long overdue farewell to 2020! We're sure the sight of her glorious boobs will go some way towards raising our spirits as we head into what might just be a long, cold winter!

"Ha! I've had guys asking to see my tits for years, but they don't normally feel the need to come up with an excuse like that!" she laughs. "Still, luckily for you guys I like showing them off just as much as you like looking at them. I hope they keep the winter blues away!"

Well they're certainly a good way to start!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

Name: SOPHIA
Age: 29
From: S. LONDON

Last year a small lingerie boutique opened up near me and, after convincing myself that I needed a few new bits and pieces, I decided to give it a try.

I rang the bell, and after a few moments the door was opened by a young woman who was simply gorgeous. She had long blonde hair held back from her face by a hair-band, and the sweetest smile, which she flashed as she beckoned me inside and introduced herself as Evelyn, my personal shopper.

Evelyn offered me a drink, and as I sipped at it asked me what I wanted to try first. I suggested a red silk bra and panties set that I'd had my eye on, which she picked from the couch and handed to me. I stepped behind the changing screen, slipped out of my clothing and into the red silk, and stepped back out to look at myself in the mirror. "Oh, that looks so pretty on you," she said, and I have to admit it did look rather good.

"Do you have this in the blue?" I asked.

"Only the panties," she replied, "The bras haven't come in yet".

I said that I'd like to see the panties, so Evelyn selected them from the couch. Then, to my amazement, she proceeded to slip the straps of her dress from her shoulders, and let it slip to the floor. She stepped out of it and bent to pick it up and fold it over the back of a chair, revealing as she did so that she was wearing a tiny lace thong with matching padded bra in emerald green, plus black hold-up stockings with a deep lace top – it was a stunningly sexy look.

I was even more amazed when she slipped her thumbs into the waist of her thong, and pushed it down past her knees and stepped out of it, all of this in full sight of me and without the slightest trace of embarrassment. She seemed totally at ease as she slipped the blue silk panties on and pulled them up, and whilst I tried not to look too obviously, I could see as she did so that she had a narrow strip of short dark hair running up the middle of her pussy mound.

> "MY PUSSY FELT LIKE IT WAS ON FIRE, AND I COULD FEEL THE SILK OF MY PANTIES WAS SOAKED THROUGH"

She stepped over to the mirror to stand next to me and allow me to compare the blue that she was wearing with the red that I had on. "This doesn't look quite right," she said, and as she reached behind her and unhooked her bra. I realised that she meant the blue silk panties with the green lace bra. She slipped out of her bra, still without even a hint of bashfulness, and we looked at each other's reflections in the full length mirror in front of us. Evelyn had the prettiest pair of boobs you could imagine, with little pink nipples peeking out from a darker surround.

I'm still not quite sure what happened next, whether she leaned towards me or I leaned towards her. But whichever of us initiated it, a few moments later we were kissing, and I felt her hands on my waist pulling me close. My boobs pressed in to hers through the silk bra that I was still wearing, as I felt Evelyn push her tongue forwards to lick at my lips, and then on in to my mouth. The sensation of being kissed by another girl, particularly one as cute as Evelyn, nearly had me coming in those silk panties there and then. I could certainly feel the wetness spreading between my legs.

Evelyn stepped away from me, turned and bent to carefully move a few things off a nearby couch and on to the chair, giving me a quite stunning view of her rear in the blue panties as she did so. If her bum had looked sexy through her dress, with only the light covering of the silk panties it was perfection. She turned and took my hand in hers, leading me to the couch and gently sitting me down, before stepping behind me and unhooking the red silk bra, pushing the straps from my shoulders and then removing it from me. She took a cushion from the couch and placed it on the floor in front of me.

I have quite large nipples, and when I'm aroused they get hard very quickly. I was very aroused now, as Evelyn, kneeling on the cushion, leaned forward, held my left boob and took my nipple between her lips, sucking lightly on it then running her tongue in a slow circle around it.

By now my pussy felt like it was on fire, and I could feel that the silk of the panties that I was wearing was soaked through with the wetness that was seeping from between my legs.

"I want to taste you," I whispered.

She just let my nipple slip from her mouth, looked up at me with a sweet girly smile, and said, "Of course," like it was the most natural request in the world.

She stood up, then took my hands and helped me to my feet. She slipped out of the blue panties, and, turning to take my place on the couch, draped one leg over the arm of the couch and placed the other on the seat beside her, exposing herself fully to me as I knelt on the cushion in front of her. Despite her open legs, her pussy looked as neat as could be, with the two outer lips free from any hair and almost completely hiding her inner lips, which just peeked-out from between them, joining at the top to cover her little clit.

I dipped my head forward between her legs, and teased her inner lips open with the tip of my tongue, before darting it forward into her wetness. I was rewarded with a taste as lovely as any I had ever experienced – a mixture of sweetness and musk in my mouth. I probed her deeply with my tongue for a few moments longer, then traced upwards, Evelyn giving a little sigh as I arrived at her little clit and took it between my lips. I sucked lightly, and felt her bud swell and harden in my mouth, a fresh rush of wetness oozing from her on to my chin as I did so. Dipping my head down again, I licked hungrily at this latest outpouring, savouring once more the flavour of it on my tongue.

> "WITH ONE OF MY FINGERS I EXPLORED THE WETNESS BETWEEN HER LEGS, FEELING IT SLIP INTO HER ENTRANCE..."

Evelyn had moved one of her hands to her own clit, and was rubbing it gently with the tip of one of her red-coated fingers, whilst with her other hand she was caressing her breasts. The skill with which she was manipulating her little button made it clear to me that this was not the first time that she had got herself off in this way. With one of my own fingers, I explored the wetness between her legs, feeling it slip into her warm entrance with ease and be encased in her velvety pussy. I added a second finger, which slipped inside her just as easily, and moved them together against her pussy walls.

Continuing to circle her clit with one hand, Evelyn took her other hand from her breast, and reached down to take hold of my wrist, pulling my fingers gently out of her. Still holding my wrist, she guided my hand up to her mouth, where she very slowly licked all around each of the fingers that had been inside her, before taking them both in to her mouth and sucking them, savouring the taste of her own pussy almost as much as I had.

When she had sucked all her juice from my fingers, she guided them back down between her legs, but instead of re-positioning them at her pussy, she lifted one of her legs up to allow access, and pressed my fingers to her tightest dark hole behind, pushing at them with her own fingers to leave me in little doubt what she wanted. I duly obliged, circling her rim a few times with my finger-tip, then dipping it inside, using the wetness that had run down from between her legs to ease its passage in to her most intimate place.

Her breathing was becoming more ragged, and the action of her finger on her clit was becoming more frantic, so I leant forward once more, took it back between my lips, and started a rhythmic sucking action whilst circling it with my tongue. My nose was pressed into her pussy mound above, but the little strip of hair there felt feather-soft against my skin, and I continued to work at her clit with my lips and tongue for all I was worth.

“SHE ORGASMED, HER MUSCLES CLAMPING AROUND MY FINGER LIKE A VICE, A FRESH GUSH OF HER SWEET NECTAR RUSHING FORTH.”

This was more than Evelyn could take, and with a deep shuddering sigh she orgasmed, her muscles clamping around my finger inside her like a vice as she did so, and a fresh gush of her sweet nectar rushing forth from her, coating my face with her juice even as I frantically lapped it up. I looked up at her, and she flashed that cute girly smile at me again, and sighed, "Mmm, that was lovely. Now it's your turn."

Evelyn bent down to her handbag, took something from it, then stood and walked back towards me. As she approached, I could see that in her hand was a mini rabbit vibrator, no more than about four inches long, with the characteristic ears pointing forward from about a third of the way along the shaft.

As she reached me she bent down again to deliver another kiss on my lips, probing my mouth with her tongue, then moved behind me and slowly pulled the red silk panties down to my knees. I heard the vibe start to hum as she switched it on, then felt it nudge between my pussy lips from behind, and she slowly but firmly easing it into me.

I was so wet from what had already happened that it slid in without difficulty, and I felt the rabbit ears reach my clitoris, one on either side, delivering a surprisingly powerful sensation for such a small toy. Evelyn reached forward from behind me, took one of my boobs in her free hand, and supporting the weight of it in her palm began to gently caress it, letting her fingers flick over my hard erect nipple as she did so.

I had been pretty close to coming just watching Evelyn walk towards me, so with the vibrating rabbit ears firm against my clit, the small but buzzing toy filling my wet sex, and Evelyn teasing my sensitive nipple with her fingers; it was only a minute or two before I could feel the tell-tale signs of my orgasm building. Evelyn seemed to sense this too, as she bent her head down and delivered a long slow lick from where the vibe entered me from behind, upwards between my bum cheeks, her tongue then flicking back and forth over my most intimate and sensitive hole. This was all it took to push me over the edge, and the pressure that had been building within me suddenly erupted as I felt a gush of liquid from between my legs splash out, soaking the panties still around my knees, and I experienced what was certainly the most intense orgasm of my life. I reached back between my legs to push the vibe away from my clit, which always gets super-sensitive after I've come and can't stand anything near it, then slumped forward over the edge of the couch, completely spent by the power of the orgasm that I had just experienced.

Evelyn rested behind me, the cheek of her face laying against the cheek of my bottom, and we were both silent for a few minutes, the only sound being the buzzing of the vibe that had slipped from my pussy. Then I felt her stir and switch the rabbit off.

She gave me a little kiss on the small of my back, just above my bum, and playfully cupping one of my buttocks in her hand she said, "That was lovely. I guess I'd better get these panties rinsed out before I wrap them for you, then we can see what else you fancy."

But I think that we both knew now what it was that I fancied most!

“I HEARD THE VIBE START TO HUM, THEN FELT IT NUDGE BETWEEN MY PUSSY LIPS FROM BEHIND.”

Name: CLAIRE
Age: 25
From: BRISTOL

One of my old school friends, Steve, lives nearby and frequently visits for gossip and wine. I've fancied him for quite some time, but he has a girlfriend, so I've always behaved myself.

One day, however, I'd just had a shower and was pottering about the house when the doorbell rang. I answered it and Steve was standing there. He was silent as his eyes travelled the length of my body, which was obviously naked underneath my thin silk robe.

When he saw the dark outline of my elongated nipples, I'm sure I heard him draw a deep breath. I invited him in and I could feel his eyes boring into my back and down to my high, pert arse.

We sat down and I poured a glass of wine. I could see an erection beginning to grow and throb in his jeans. Chancing my arm, I slowly moved my hand to his bulging crotch, maintaining eye contact all the time, and sensuously caressed his impressive loins with my fingers.

He was already making me really hot and I had a feeling that I would soon be entering a daze of lust. He groaned as my fingers concentrated on his erection. I let my silk robe drop, revealing my taut, lean nakedness. I took Steve by the hand and led him to my bedroom where I laid him on the bed. I slowly undressed him, letting my breath linger on any new flesh I exposed. He was breathing almost uncontrollably.

My tongue darted and flicked all over his chest. I licked over his nipples, biting at them and sucking the sensitive points. I slowly worked my way down his body, inch by inch. I lingered at his open legs, running my wet tongue up and down his inner thighs, then up to his balls. I sucked each one into my mouth, teased them and slid my fleshy weapon behind his balls, licked up to his arsehole, and quickly penetrated it with my strong tongue.

I moved over him and suddenly took his cock into my mouth, immediately twitching and flicking my tongue around the head, teasing the bit between the shaft and bell-end. My pussy loosened with juice when I tasted the slick droplets of pre-come on the end of his cock.

I then fucked his tool with my mouth. I pressed on his hips and worked his cock in and out of my mouth, right out to the tip and then straight back down to the base of his knob, at an almighty speed. With my mouth a tunnel of tightness, the pleasure was totally sensual. I nearly came without having my pussy touched, the feeling was so strong. His cock then exploded in my mouth. I was engulfed by hot, thick spunk, cascading down my throat and running down my chin. There was so much that I couldn't drink it all and even after I'd swallowed what I thought was the last, his cock was still pumping out a steady flow of hot cream. I'd never seen anything like it in my life – and I've seen some things.

I gave him a few minutes to recover before demanding satisfaction – I was desperate to come with his cock inside me. He groaned with pleasure, so I pulled myself so that pussy was right in his face and he eagerly stuck his tongue deep inside my tight, hot hole. I started gyrating my hips, rubbing my snatch into his face. His tongue slid out of my snatch and circled around my quivering clit, occasionally running up and down the length of my slit.

I knew I would soon succumb to the orgasm that was building up inside me like a tidal wave. But I needed to be filled by his rigid pole to feel truly satisfied. His cock was hard again, so I quickly slid down his body to straddle his long, hard pole. I positioned the tip of his cock at the entrance to my pussy and introduced Steve's length up my hungry pussy.

“I MOVED OVER HIM AND TOOK HIS COCK IN MY MOUTH, TWITCHING AND FLICKING MY TONGUE AROUND THE HEAD.”

I rode him while he played with my shapely breasts then increased the pace, arching my back so I could feed my hot love-hole with as much cock as possible. We were both grunting like animals on heat. We rutted until the last orgasm had shuddered through our thoroughly satisfied bodies.

Steve is still going out with his girlfriend. But now, as well as coming around for a "chat", I often phone him when I'm about to take a shower! I know I can have him whenever I want, and I think that's better than being a couple.

Margaret

PHOTOGRAPHED BY JOHN PATRICK BURGESS

Fire and ice are the keys to the character of 19-year-old Margaret Bailey from Leicester. 'Underneath I am hot, passionate and very erotic; yet I always seem to give the impression of being very cool, almost diffident, a real ice maiden', she says. Such pronouncements are few and far between for 36-24-34 inch Margaret. She wilfully remains a mystery, though she can't resist dropping tantalising hints about herself, like her love of playing the seduction game.

Margaret is very much of the 'lead 'em on' persuasion, ably drawing the attention of men, and then giving them just enough encouragement to keep them interested, before suddenly, and unexpectedly, surrendering to them. Although born in the UK, of an English mother, she has spent much of her life in foreign parts. Her father, she hints, was something in one of the European diplomatic corps, and she spent most of her younger days posted abroad.

Classic MAYFAIR

Well here's a slice of history, featuring as it does the last recorded use of the word 'diffident' in an adult mag blurb! Like they say, the past is a different country, and it clearly was way back in 1980!

Another intriguing titbit thrown into the cauldron of convesation by the enigmatic Miss Bailey is her ambition to, one day, found a dynasty of 'beautiful people'. As yet she hasn't found a man she'd deem suitable to father it. 'He'd have to be very special,' she says, 'not necessarily a hunk, but intelligent and individual, definitely a bit of a one-off.' Not unlike the lovely and charismatic Margaret herself.

MAYFAIR

Vol.55 No.09

On Sale Jan 20th

So who fancies taking a flutter on 2021 turns out? It's got to be a bit more normal than this year, hasn't it? Then again, I don't think I'd bet against some sort of Godzilla-style monster striding out of the Atlantic and stomping all over the country. If nothing else, it'd provide a bit of talking point that isn't related to Covid, the American President or Brexit. One thing, at least, I can predict for 2021 is the arrival of the next issue of Mayfair which, as well as all the customary reviews and features, will feature a slew of lovelies disrobing for us, with Bella Mendez and Lucy Lee to the fore!
